| Uh-huh, Life's like this Uh-huh, uh-huh That's the way it is 'Cause life's like this Uh-huh, uh-huh That's the way it is | No, no, no You come over unannounced Dressed up like you're something else Where you are and Where you sat, you see You're making me Laugh out When you strike a pose Take off all your preppy clothes You know You're not fooling anyone When you become | Chill out, What you yellin' for? Lay back, it's all been done before And if you could let it be You will see Somebody else 'Round everyone else You're watchin' your back Like you can't relax You're tryin' to be cool You look like a fool To me, to me |
| I like you the way you are When we're, driving in my car And you're talking to me One on one But you become | Somebody else 'Round everyone else Watchin' your back Like you can't relax Tryin' to be cool You look like a fool To me | Why do you have to go and make things so complicated? I see the way you're Acting like you're somebody else gets me frustrated Life's like this, you And you fall and you crawl And you break and you take What you get and you turn it into Honesty Promise me I'm never gonna find you fake it |
| Somebody else 'Round everyone else Watchin' your back Like you can't relax You're tryin' to be cool You look like a fool To me | Tell me Why do you have to go and make things so complicated? I see the way you're Acting like you're somebody else gets me frustrated Life's like this, you And you fall and you crawl And you break and you take What you get and you turn it into Honesty Promise me I'm never gonna find you fake it | No, no Why do you have to go and make things so complicated?
