A 25-year-old man from Mgarr lost his life this afternoon after being trapped under the 'bucket' of a small bulldozer in an industrial zone near Blata l-Gholja in Mosta.

The incident happened at about 3 p.m. in a depot for heavy vehicles operated by Swaey Brothers.

A number of workers rushed to help their colleague but he died on the way to hospital.

A magisterial inquiry is under way.

## Worker injured in Sliema incident

A worker was seriously injured this afternoon while doing construction work in Sliema.

The incident happened in a house in Howard Street, behind the Preluna Hotel where renovation work, including demolition of roofs, was being carried out. He was working on a wooden plank when he suddenly fell a height of two storeys.

The man, 40 from Tarxien, was assisted by rescuers from the Civil Protection Department and the police.
